2008-09 Laptop Agreement for

Student ID

Asset Tag

Name \_\_\_\_\_

Dear Parents and Guardians,

Your child will be issued an Apple iBook as part of the Maine Learning Technology Initiative (MLTI). Our teachers and staff look forward to using this exciting tool to enhance your child's learning experience.

The guidelines for iBook use are found in the Acceptable Computer Use Section within the 2008-2009 Lincoln Middle School Student Handbook. Please review these documents and sign below indicating that you have read and discussed them with your child prior to the distribution day.

This signed form must be presented by your child in order to be issued an iBook.

If you have any questions you may call 874-8145  
and talk to Del Brown or Zachary Brown.

---

I have read the Guidelines for using iBooks that will be used this year at Lincoln Middle School.
