

**Lyman Moore Middle School MLTI iBook
Laptop Take Home Permission Slip and Insurance Coverage Option
School Year 2008-2009**

Please read the following information carefully. Parents or guardians **MUST** give permission for their child to take home their iBook. Parents must also attend a Parent presentation about the iBooks in order for the iBook to go home. This is a state requirement. If 8th grade parents attended a meeting last year they do not have to attend one this year. All 7th grade parents and 8th grade parents need to sign this form to give permission to take an iBook home and indicate their choice regarding the school insurance option.

Moore Middle School provides an insurance option for Apple iBook computers. This insurance covers the iBooks for school and home use. The coverage extends from the time we receive the insurance payment until the end of the school year. Damages incurred before payment is received will not be covered.

The policy covers theft, fire, power surge, natural disasters, and accidental (non-negligent) damage both at home and in school. The insurance will cover all parts of the iBook except for the LCD screen. Damage to the LCD screen is partially covered and subject to a \$200 deductible.

Damage due to negligence or willful destruction are not covered by this policy. In such cases, repairs will be the sole responsibility of the student's parents/guardians. School administrators in consultation with students, teachers, technology staff and parents will determine if the damage is covered.
