Lonyodod ki wegi gang awora me gang kwan me Portland,

Atye ka coyo me nyutu ki wun pi dano angwen ma ginongo gi ki two jwe COVID-19 cocok ni i gang kwan ma Portland. Ginongo two ki ngact acel igangi angwen ma patpat ma gin aye obedo Gang kwan Rowe me acaki, Gang kwan King me dyere, Gang kwan Layman Moore me deyer ka Ggang kwan Portland ma malo.

Watye ka nyutu ki dano ducu me waco gin ducu i ka maleng dok me gwoke pi poko ngec magi. I ka aryo ma en aye obedo, Rowe ki King, dano ma gipimo ci ginongo gi ki two ni onongo pe gibedo tye i gang kwan ikare ma two gi oo irwom ma romo kobe piman pet ye apul me gang kwan eguni ma otene cok kwedi. Ci dong pet ye ngati mo ma omyero olor kome i gang.

*Watye ka geno nia dano aryo me gangi kwan aryo bene Moore ki PHS gibibedo ki dano mapol gwok nyo biromo wa 50 kulu i PHS ma gibi lwongo gi nia *close contacts* nyo dano ma otene ikom latwo ma myero gilor komgi i gang. Watyeko lok ki dano ducu ma obedo atena ikom lotwo dok wanyutu botgi gin atima i kit ma watiyo/walubu kwede cik. Kape gigoyo ni cim ci in pe atye ngat ma obedo atena ikom latwo. Ento watye ka cwako kor dano ducu me gwoke dok me lubu cikwa me gwoke ki awana kom nyo yotkom – ruku laum dok ki um, lwoko cing ki bedo ma wakelo kinwa – dok bene me bedo ka ngiyo lotino kwan ni wa komi bene pi lanyut me two.*

Pi gwoki cik me yotkom ma ngat mop e waromo nyutu ngec ma pol me kom ngat ma gipimo ci ginongo tye ki two jwe man (jami magi gwayo calo tic pa ngat ne i gang kwan, kalac ma mere ki jami mukene mapol ata). Ento, wamito niango wu nia wa lubu cik mewa me te dero wa ki me state pi gwoke ki awana nyo yotkom pa dano ducu me gang kwa. Cik magi aye gin egi:

- Maine CDC nyo latic gang kwan bi goyo ni cim k ace ginongo nia in ibedo ngat ma otenen ikom ngat ma gipimo ci ginongo ki two jwe enni. Dano ma obedo atena ikom latwo myero olor kome I gang pi nino 14 nicake ki nino ma gityeko ngeyo nia en obedo cok i kom latwo. Pimme bot ngat ma obedo cok ki latwo ber ka gitimme kakin nino 5-7 ki nino ma gibedo kacel ni. Ngat ma obedp atena ikom latwo myero olor kome i gang pi nino 14 ducu kadi nyo gipimme ma pe ginonge ki two. Dano mukene me gang giromo mede ki cito i gang kwan nyo i tic tek ne ka “ngat ma obedo cok ki latwo” jwe ni peke ki lanyut dok pe ginongo ki two jwe enni*

- *Dano ma gitye attena I gang kwan aye lubu ki dul me ot kwan ma gitye iye. Man nyutu nia dul pa lotino kwan kacel ki lopwonye gi ma girwatte kacel gin aye dul ma gilwongo *close contacts* i leb munu. Ka mukene ma iromo tene kwede ikom latwo aye (*buses*, yub mogo ma timme inge cawa me gang kwan) magi bene giroto pi gwoke. Ngat ma obedo futi 6 ki kom latwo pi dakika ma romo 15 en bene gilwongo *close contact* nyo ngat ma otene ikom latwo*
- *Dunyo piny ki diro ducu bitimme ka ce ngat mo ginongo nia jwe enni omako*
- *Pimme tye pi latin kwan nyo latic gang kwan mo keken ma tye ki lanyut ma leb munu waco nia symptomatic bot dul ma wanotte kwedgi me yot ma gilwongo Greater Portland Health. Ka nama pa lotino kwan nyo lotic gang kwan onya ma mito gipim gi pien gibedo attena ki lotwo jwe, ci watye ki wat ki jo Northern Light ma giromo pimo lotino kwan ki lotic gang kwan ma gipeke ki lanyut. Dano ma gipeke ki lanyut me two bene giromo pime bot daktar mamegi. Iromo bene nongo ka pimme ma rwatte kwedi kakany [here](#). I ada, ka pimme magi ducu bicwalo waraga me cul bot *insurance* meri ma in pe ibiculu miliny mo ki jaba meri. Ka inongo teko mo obedo tye iyoo ni me temo pimme, ci wek latic yotkom me gang kwan pa latin obed ki ngec.*

Ngec mapol ma lubo kit ma watiyo kwede ki dano ma gimako two enni romo nonge i [our reopening website](#). Bed agony me goyo cim bot latela gang kwan pa latin ni nyo latic yotkom ma kunu ka imito ngec mapol.

Wat ye gen me cang pa dano me dwolwa. Dano ma gitye ka nongo ne ki two COVID-19 tye ka nya i lobo ni ducu kacel ki i Maine bene kun jwe man tye ka miyo tek kwo pi wan ducu. Watye ki niye nia ka wan ducu wabedo ka tuti me gwoke kit ma cik mito ci ka ticwa bibedo ka bedo ma pake ki awana kom moo keken me yotkom dok me pwonye bot lotinowa. Walegowu me gwoko lotino I gang ka gitye ki lanyut me two dok wek giruk laum dok ki um, ngii gin ka lwoko cikgi dok wek bene ginen nia gikelo kin gi pe i gangkwan keken – ento wa ika mokeken ma giromo rwatte iye ki dano mukene. Magi aye yoo ma waromo gwoko kwede jwe enni me Covid 19 cen.
