MILITARY RECRUITER/POST-SECONDARY INSTITUTION
ACCESS TO STUDENT INFORMATION (GRADES 9-12)

Under federal law, military recruiters and post-secondary institutions are entitled to receive the names, addresses and telephone numbers of secondary students (grades 9-12) and the Portland Public Schools must comply with any such request, provided that parents/legal guardians have been notified of their right to request that this information not be released without their prior written consent.

If you **do not want** this information to be released without your prior written consent, please check the appropriate line(s), sign the form and return it to your child's high school office by **September 15th (or within two weeks of enrollment, if later in the year)**. Parents/legal guardians may submit the form at any time during the year, but it cannot be retroactive.

If you are agreeable to your child's contact information being released to military recruiters and post-secondary institutions, you do not need to return this form.
